Scion will contribute a portion of all proceeds from the evening to The Jonas Kelsall Memorial Fund at the Navy SEAL Foundation.

Lieutenant Commander Jonas B. Kelsall was born on November 8, 1978, and was killed in action alongside his teammates in Afghanistan on August 6, 2011. Full of spontaneity, he was known for surprising his loved ones with both playful pranks and unexpected acts of kindness. Despite spending a great deal of time on deployment, Jonas never considered his job a sacrifice but instead, a great honor. Jonas committed every day of his life to the happiness of his wife, Victoria; family; and friends; and to service for his country as a United States Navy SEAL.
