Scion Rising

Scion Restaurant

Offering terrific people-watching from its year-round sidewalk veranda, Dupont Circle newcomer Scion (housed in the former Café Trope digs) serves an affordable mix of American classics with interesting twists, including a lobster Reuben, surf 'n' turf sliders and garlic fries topped with basil; stylishly cozy tables can be found inside, as can daily happy-hour specials at the friendly bar.

2100 P St. NW; 202-833-8899
